

making electronics smart

Für unser Team suchen wir ab sofort in **Wien**:

## Senior Category Manager (all genders)

As a **Senior Category Manager**, you will lead the global sourcing strategy for **mechanical components and / or electric motors**, ensuring cost competitiveness, supply stability, and long-term value creation. You'll collaborate closely with stakeholders and strategic suppliers to deliver sustainable performance improvements and commercial results within your category.

### Key Responsibilities:

- Develop and execute a **global category strategy** aligned with business and market needs.
- Select, manage, and develop **strategic suppliers** to ensure quality, reliability, and competitiveness.
- Lead **price and contract negotiations** and implement **cost optimization initiatives**
- Collaborate with R&D, Operations, Finance, Program Management and the global business entities
- Monitor category **KPIs**, supplier performance, and market trends to ensure continuous improvement.
- Manage **escalations, process improvements and special projects** in close collaboration with the management and stakeholders

### Your Profile:

- Degree in **Engineering, Business Administration**, or similar field.
- Minimum **7+ years of experience** in strategic purchasing or category management, ideally in **automotive or industrial manufacturing**.
- Strong knowledge of **mechanical components or electric motor supply markets**.
- Excellent **negotiation, analytical, and stakeholder management** skills.
- Experience working in **international, cross-functional environments** and with **high profile stakeholders**.
- Fluent in **English** (German or other languages are an advantage).
- Ability to **independently drive escalations and special projects** and deliver results

### Your Benefits:

- Exciting and diverse range of tasks in an internationally growing company and a highly effective team.
- Individual onboarding program and opportunities for further development
- Comprehensive additional benefits (home office, company bike, subsidized meals, and much more)
- State-of-the-art equipment (company phone, laptop, etc.)
- Excellent public transport connections (U2 Donaumarina) and parking available on-site
- Very pleasant and supportive working atmosphere

Join a dynamic, highly motivated team where you can contribute your own innovative ideas and develop both

professionally and personally. If you're ready to help shape our future, please apply via the online application tool on our website/job portal.

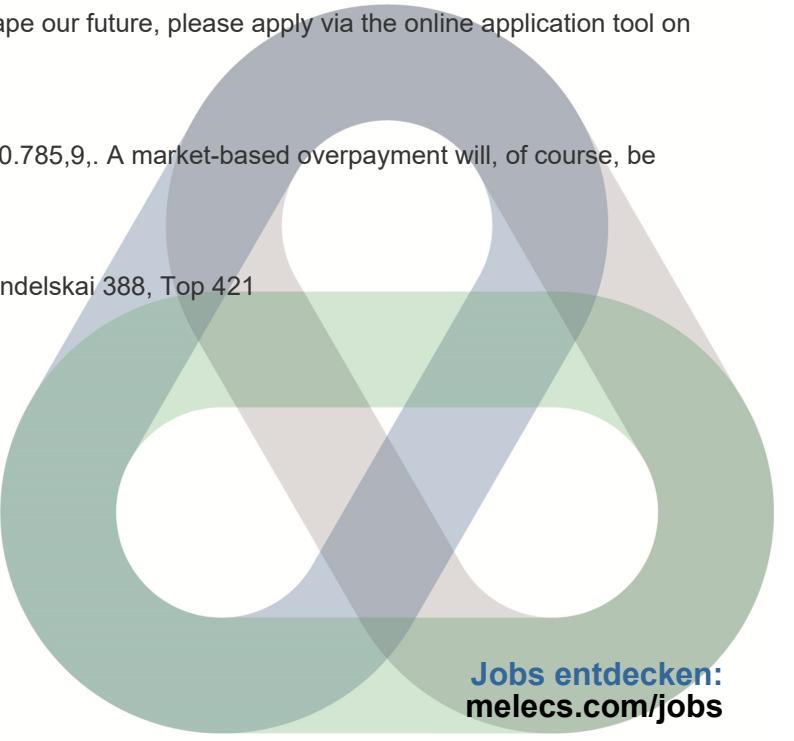

For this position, the minimum annual gross salary is €60.785,9,. A market-based overpayment will, of course, be offered depending on experience and qualifications.

Melecs EWS GmbH, Stefan Lukjanovic, 1020 Wien, Handelskai 388, Top 421
